## **Lane reductions on IL 83 at Cal-Sag for bridge painting work**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that lane reductions will occur along Illinois Route 83 for bridge painting work beginning, weather permitting, Monday, May 11.

In order to complete the work, northbound and southbound lanes of IL 83 will be reduced to one open lane in each direction over the Cal Sag Channel near Archer Ave.

The project will be complete by late August.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
